Excellent skills, energetic, charismatic ... Great singing and interactive ... They are the best a capella group in the world ... Great example of harmony a capella singing ... Great new sound (same songs, but energetic) ... Very high-level performance ... Same presentation as in 2003 ... Great work! I learned a lot about harmony & scales ... consistently outstanding ... As talented and professional as ever ... The kids loved doing the rhythms ... That was great! ... The kids here seemed to really enjoy this ... Love their new tenor ... Very tight ... Great ... I would love to see them at any school ... You make learning an absolute joy ... Great, even I learned something ... Love the new tenor ... Learning music couldn't be better! ... Great music ... Introduces scale, chord, harmony ... Lots of repetition of previous shows ... Great performance, great energy ... new male singer has good energy with the group ... Songs could be updated more current ... Too much talking ... Very talented ... Just excellent ... Great energy ... Kids enjoyed them and got involved ... Kids were highly into it ... Good costumes ... Lively, entertaining ... New material is great ... Great opening song ... Awesome sounds! ... What a great way to teach music ... Good teaching of scale, sound, harmony ... Excellent showcase.

Euphorics

Winners of the 1999 Regional Harmony Sweepstakes competition in San Francisco, the Euphorics have been featured on CBC with their critically acclaimed CD, *Standing Up for Love*. Their recently added tenor, David Steele, brings a new energy and texture to the show. The Euphorics have been performing and touring since 1983.

Showcase: A cappella excerpts include a Disney medley, African and Jamaica songs, and songs that are musically instructional and rhythmically and melodically participatory.
